

Franciscan ORTHOINDY

SURGERY CENTER

Advanced Orthopedic Care for Greater Lafayette

Franciscan Health and OrthoIndy are expanding access to nationally recognized orthopedic care with a new, state-of-the-art facility at Cumberland Avenue and US 231. This 44,000 square-foot location is centered around delivering the highest level of patient experience by bringing comprehensive musculoskeletal care together under one roof — including clinic appointments, outpatient surgery, physical therapy and imaging services.
